### Self Declaration

Add on courses or value added programs offered to the students every year though the title of the program is similar across all year however it is offered to newly admitted students of BBA and BCA programs. Majority of the students enrolled for these courses are from rural and multi faculty background, hence it is desirable to offer them these courses namely spoken English, aptitude and like with prime objective of elevating their competency and bring them at par with corporate requirement.

Corporate are demanding aptitude, good English therefore offering these courses to students is obligatory and mere changing the title of course would not serve the purpose.
